

Senior Exploitation Specialist — Data Scientist

Sneads Ferry, NC (on-site) | NGA Analysis Office (AOT), U.S. Special Operations Command | 1st Shift | Active TS/SCI, must be able to obtain a CI Polygraph | Full-time, W-2 with benefits

Technology On Time, Inc. (TnT) is hiring a **Senior Exploitation Specialist (Data Scientist)** to support an NGA Analysis Office aligned to U.S. Special Operations Command in Sneads Ferry, NC. You will design and deliver mission-ready analytic tooling — Python automation, geospatial processing, and interactive dashboards — for operators who depend on it daily. This is a senior billet: you will own solutions end to end with limited oversight.

Required Qualifications (no exceptions)

- Active TS/SCI clearance with the ability to obtain a CI Polygraph.
- Senior-level proficiency in Python, with demonstrated experience designing mission-ready solutions.
- Experience querying and integrating web APIs through Python to retrieve, normalize, and operationalize data.
- Experience developing interactive data visualizations using Plotly, Seaborn, Matplotlib, Bokeh, or comparable tools.
- Experience building dashboards and analytic interfaces using Dash, Streamlit, Panel, Tableau, or similar platforms.
- Strong SQL skills and experience querying relational databases.
- Experience using Git-based version control platforms such as GitLab or GitHub.
- Proficiency with geospatial processing frameworks such as GDAL or ArcPy.
- Proficiency with GIS desktop software such as ArcGIS Pro or QGIS.
- Ability to write clear, concise technical documentation for software systems and automated workflows.
- Ability to operate independently at a senior level with limited oversight.
- Familiarity with USSOCOM and broader U.S. military organizational structures.
- Familiarity with common Intelligence Community (IC) data repositories.

Technology On Time, Inc. is a minority-owned small business delivering cleared engineering, data science, and geospatial talent to the Intelligence Community and Department of Defense. To apply, send a current resume to info@techontime.com. TnT is an Equal Opportunity Employer; all qualified applicants receive consideration without regard to any legally protected status.
